**Teas and Coffee in the hall after Sunday 10am Mass**

This week we round off our look at the principal events in the Life of Christ with the **Ascension**. The Ascension is Jesus' physical departure from his disciples, an event which took place 40 days after his Resurrection. Scripture records him ascending into Heaven, which signifies the "definitive entrance of Jesus' humanity into God's heavenly domain". Jesus is now in Heaven where he intercedes and prepares a place for us and from where he will come again at the end of time.
