Freedom of Religion in Scotland. What is your experience?

If you have experiences to share it would be great if you could answer the questionnaire linked at the end and share with friends. The Freedom Declared Foundation is taking a temperature check on the state of freedom of religion/belief in the UK and are asking people to share their experiences of exercising this fundamental human right. It is not about expertise so much as people's lived reality and they are hoping for get a hundred responses by the end of this month.
