Let us pray that those who are struggling with suicidal thoughts might find the support, care, and love they need in their community, and be open to the beauty of life.

A key part of its mission will be to strengthen digital evangelisation across Scotland. To support this work, **Being Catholic TV** will become the official digital platform of the Bishops' Conference of Scotland, providing video content, live events and other faith resources.

**Fr Michael Kane** has been appointed the Director of this new office, and together with a small team of staff, will oversee the communications strategy and evangelisation initiatives at a national level.

Just found out I failed my abseiling test. Let myself down badly.
